TURN OFF THE ALARM

A blaring alarm causes irritation at best, and panic at worst. Those who have endured safety drills know the relief that comes when that noise finally goes quiet. Those who have heard the words “This is not a drill!” know how this makes hearts race.

Alarms are good because they can warn us of danger. They prepare us to take defensive action. Maybe there was a time when that alarm was vital to our survival like a smoke alarm or carbon monoxide detector. However, a false alarm is counter-productive. Too many false alarms can lead us to ignore the real thing. Hearing the sound of the alarm whether it is real or false, it brings to us a state of stress and anxiety. Because we are programmed to think that something bad is happening.

While the Christian needs alarms to dangers in life, because of Easter, we can turn off the alarm warning about death. The thought of death can be very alarming. The sight of death, even more so. As we sing the hymn: “I walk in danger all the way...” we may not always feel that danger. But those who place themselves in harm’s way to protect others may live day and night with that feeling. We may feel that danger in sickness or battling a disease. We may sense it after walking away from a crash that totaled our car. Alarms go off in our heads when we see hints of possible danger. And they should. But for us, there is no danger in death. It is not merely like a poisonous snake with its fangs pulled out. It is like that snake with its head crushed.

Jesus of Nazareth has crushed the power of sin, death, and the devil. It’s not empty bravado that causes us to sing: “Satan, I defy thee; death I now decry thee; Fear, I bid thee cease.”

“I AM THE RESURRECTION AND THE LIFE. HE WHO BELIEVES IN ME WILL LIVE, EVEN THOUGH HE DIES.”

Why, then, does the thought of death sometimes still alarm us? The answer is simple. We tend to forget about Easter. We overlook the words of the Lord of life and death who pro-claimed to us: “I am the resurrection and the life. He who believes in me will live, even though he dies.” (John 11:25)

Satan is an expert at producing false news. He projects for us a mental video that shows everything we love, gone. Every-thing beautiful, ruined. All joy faded, and all hope killed. Only a gravestone marks that we once were alive. For a true picture, look into the Easter tomb. See there, death defeated. See there, life triumphant. See there your own grave, vacant. One day angels can point to where your body was placed, and say about you, “He is not there. He has risen!”

God’s promise is clear—and he does not lie: “Because he lives, we will live also.” Because of this promise, we can confidently “Turn off the alarm.”

God’s Blessings,
Pastor Tim Denney

SERMON SERIES

CHURCH WITH A HEART

Jesus has an amazing heart for a world of sinners and lost people. As disciples of Jesus, having enjoyed the benefits of his love, we get excited to share Jesus' heart with our world today. In our new sermon series "Church with a Heart" we focus on making that heart of Jesus our identity. Redeemer is a church that has a vision to love its guests, regulars, members, and community. The church that has the heart of Jesus will be a church that puts love, hospitality, service, and growth on display. We want to be that church—the church with a heart!
